**Building use**

Grand Knight Al Lahood and myself submitted a CDC plan to NYS and it was approved (copies can be made available). It was decided that we will allow use of the hall for Council meetings, Columbiette's meetings and the Sportsman Club, Happy Hour card playing. The groups will be responsible to conform to all CDC guidelines. Each group will have a monitor who will be responsible for following the guidelines. If we find that any group is not adhering to the guidelines the privilege to use the hall will be immediately revoked. A date to allow hall rentals has not been determined. Maintenance and making sure the room is safe is my number one priority.

***Bartenders and Cleaning***

- Cathy Wilson has been keeping the inside of the hall clean and sanitized after hall's use.
- Bob Yurasits continues to do stay in contact with me.
- Terry Marsac continues to keep me informed on our finances.
- Andy Panetta stays in contact with me.
